

# Affordable Hunting Preserve Liability Insurance

Quail Unlimited & Dove Sportsman's Society is pleased to offer our member preserves this important benefit - Hunting Preserve Liability Insurance.

This insurance has been designed specifically for QU and DSS preserves and is available only to Members of their Preserve program.. Insurance coverage for bird hunting preserves has customarily been difficult to obtain or cost prohibitive. In most cases, the policy contains endorsements which excluded valuable coverages necessary for preserves. To a large extent, this is due to the specialized nature of hunting preserves.

Underwriters often do not understand the bird hunting industry. Our agency has over 40 years of experience in gun related insurance. This, coupled with experienced, knowledgeable underwriting ensures that you get a comprehensive policy at an affordable price.

This brochure provides information you need in order to apply. Coverage can begin as early as one day after the application is mailed, faxed or downloaded to SIAI, or any later date you specify.

## Coverage Available

Liability limits will be \$1,000,000 per occurrence with no general aggregate and no deductible. Coverage includes product liability for pro shop and restaurant and \$10,000 in medical payments coverage. Notable exclusions include the sale of reloads. Additional insureds, such as landlords, townships or counties, can be added to your coverage at no extra charge.

## Who is Eligible?

This insurance is available to Quail Unlimited and Dove Sportsman's Society private, member, member/guest preserves, and preserves open to the public.

## Underwriting

Sportsman's Insurance provides membership preserves with General Liability Insurance placed through **T.H.E. Insurance Company, Inc.** in Treasure Island, Florida, an "A.M. Best" A - rated carrier.

## Premiums

Premiums are based on the member preserve's gross receipts. These include fees and receipts as detailed in our application. Membership dues are not included in premium calculations unless the dues include a specific benefit such as birds, rounds of skeet, trap or sporting clays. Minimum premium is \$550.

## How to Apply

Quotes are a telephone call away. Simply fax or mail your completed application to us and we will either call you or fax your quote to you. Included in your quote will be a quote number. To place coverage in force, simply mail your completed application along with your premium payment to our office. Coverage can be effective the day after your application is postmarked or at any later date you desire.

We believe that this is the finest bird hunting preserve liability insurance available. If you would like additional information or you have any questions please call us at our toll free number **1-800-925-7767**.
